Get control over your subscriptions

Rocket Money instantly finds and tracks your subscriptions. We're there when you need us to cancel services so you don't have to.

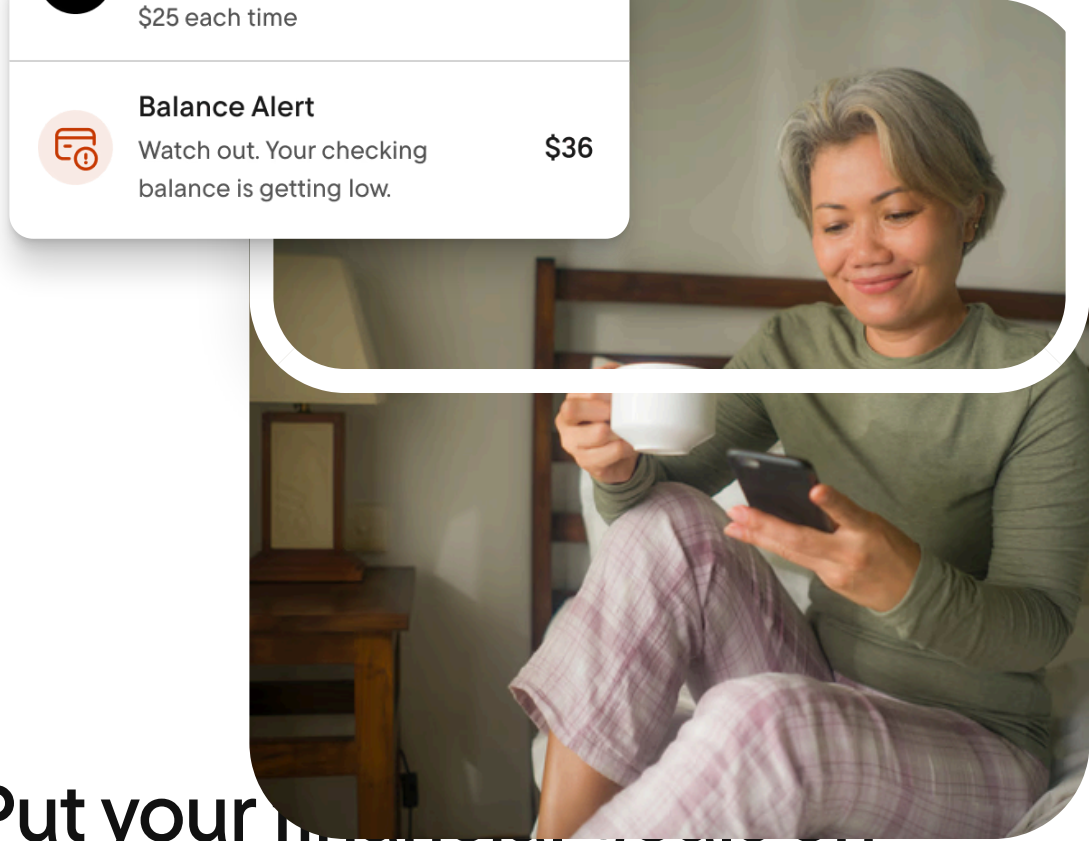

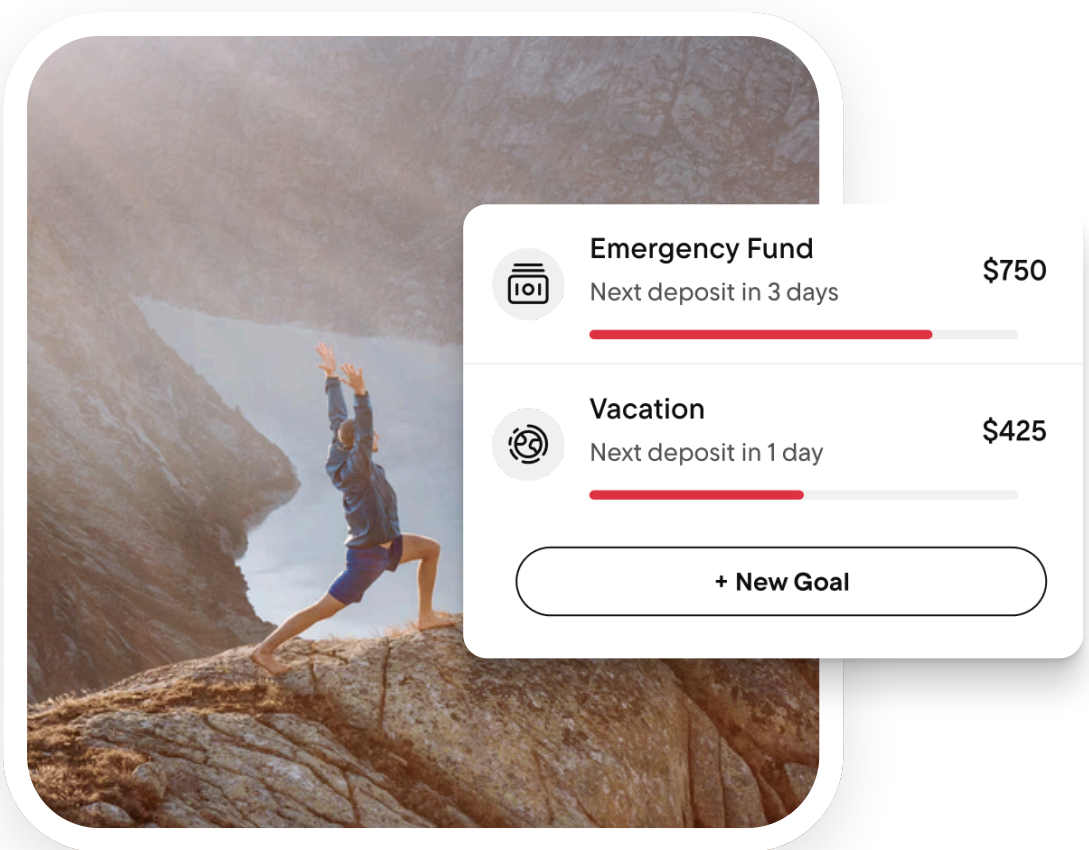

[Manage my subscriptions](#)

Stay on top of your everyday spending

Get an effortless breakdown of your finances to see where your money is going and how to improve. We'll notify you of important events that need your attention so you're never caught off guard.

Track my spending

Put your money on autopilot

Turn on autopilot to save money without thinking about it. Rocket Money learns your habits and saves the right amount at the right time while helping you avoid overdraft fees.

Automate my savings

Get more from your finances with Rocket Money Premium

Premium is more than just software features! You'll also get real access to humans who can help you cancel subscriptions, lower your bills or help with questions about your personal finances.

without Premium

Account Linking

Link your checking, savings, credit cards, and investments accounts to see everything in one place.

Balance Alerts

Get alerted when your checking account falls below a safe balance or when your credit spend is too high.

Subscription Management

Our algorithm works its magic to find all of your recurring subscriptions and bills.

Spend Tracking

With all of your accounts in one place, see and understand your spending trends.

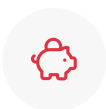

with Premium

You get everything on the free plan, plus these additional services:

Subscription Cancellation Assistant

Let us cancel your subscriptions for you.

Automated Savings Plan

Reach your financial goals with ease.

...and more!

Turbocharge your finances with net worth tracking, shared accounts, unlimited budgets, and more.

Explore more Rocket Money features

Track and understand your credit score

Access your complete credit report and history. Get alerted to important changes that impact your score.

[Check my credit score](#)

Get the best rates on your existing bills

Our concierge will identify bills that can be lowered and negotiate on your behalf for the best rates available.

[Lower my bills](#)

Create a budget that works for you

Set up a budget that automatically monitors your spending by category and keeps you on track towards your goals.

[Build my budget](#)

Understand and grow your net worth

Get a full picture of your assets & debt in one place. Make improvements and track your financial journey over time.

Feel the love

No need to take our word for it! Here’s just a few of our thousands of 5 star reviews*.

*Reviews may have been edited for clarity and/or conciseness.

This app and financial management tips are great! I highly recommend it!

Matthew W. ★ ★ ★ ★ ★

Once you get used to it (short time), it's a phenomenal money saving tool.

Peter O. ★ ★ ★ ★ ★

Circumstance with multiple credit cards and accounts but Rocket Money has given us the wherewithal to stay on top of the situation. Highly recommended!

Mike G. ★ ★ ★ ★ ★

The Rocket Money app has been a gamechanger. It has helped me cancel subscriptions I didn't know I had. It is also helping me stay on track with my spending and budgeting. 10/10!

Michelle G. ★ ★ ★ ★ ★
